GIS Professional Certification and GISCI
Presenter

• Scott A. Grams
• GISCI Certification Director & URISA Education Manager
• Staff Support for the URISA Certification Committee for 4 years.
• Association Professional NOT a GIS Professional.
• Worked Closely with URISA Leadership in Developing GISCI.
Why Certify?

- Although GIS has many uses, GISCI believes there is a GIS profession.

- GIS professionals understand and apply the full range of GIS capabilities, most commonly as their primary professional role.
Who Qualifies?

- Other professionals (surveyors, cartographers, landscape ecologists, etc.) are typically not GIS professionals.

- These professionals assess both the range of their GIS applications and the significance of their GIS skill set to their professional role.
What can Certification Provide?

1) Classify bad and good practice

2) Implement a professional code of ethics that identifies bad practice and upholds good practice

3) Outline the education and work experiences necessary to establish good GIS practice
No Test!

- **Point-based** and **self-documented**

- Based on **achievement in three categories:**
  - **Educational** attainment
  - Professional **experience**
  - **Contributions** to the profession
A Point-based System

- GISCI Professional Certification created a system that adds objectivity (points) to the subjective (one’s career)

- The Certification Committee spent 4 years attributing points to various activities

- The result of their effort is the GISCI Certification Program
Benchmark

- **EDUCATION** – Bachelor’s degree with some GIS courses (or equivalent)
- **EXPERIENCE** – Four years in GIS application or data development (or equivalent)
- **CONTRIBUTIONS** – Annual membership and modest participation in a GIS professional association (or equivalent)
Minimum Category Points

- Educational Attainment: 30 points
- Professional Experience: 60 points
- Professional Contributions: 8 points
- Additional Points in any of the 3 Categories: 52 points
Minimum Total Points

To allow flexibility in the distribution of points, a minimum total points was established at:

150 points

This allows one to make up for a lack in one category with an excess in another (e.g., long on GIS experience, short on education)
The Educational Achievement Section

There are 3 components to the Educational Achievement Section:

1. Credential Points (degrees in any field)
2. Course Points (geospatial technology courses)
3. Conference Attendance Points (days spent at relevant meetings and conferences)
Educational Attainment

Credential Points:

- Master’s Degree or Higher  25 pts
- Bachelor’s         20 pts
- Associate’s       10 pts
- GIS Certificate*  5 pts
  *400 or more student activity hrs

Select the highest earned
Educational Attainment

Student Activity Hours:
Hours spent in a classroom, seminar, or conference, plus hours spent completing assignments, reading, studying, or other preparations for the course.

Geospatial technology courses and related courses taken are worth:

1 point for every 40 student activity hours
Course Point Examples

Examples:
1. The applicant completed an 8 hour workshop:
   8 hours / 40 (set value) = 0.2 EDU points

2. The applicant completed a 15 week, 3 credit course:
   3 credits x 15 weeks x 3 (set value) = 135 hours
   135 hours / 40 (set value) = 3.38 EDU points
Conference Attendance Points

Conference attendance points are a result of the number of total days that the applicant has spent at meetings and conferences sponsored by professional societies and regional and local user groups.
Conference Attendance

Point Examples

- Conference Attendance Points are determined by the number of days and not hours spent at each event. The number of days attended should always result in a whole number multiplied by 0.1.

The applicant attended the 2004 ESRI International User Conference:
August 9-13 = 5 days x 0.1 (set value) = .5 EDU points
Professional Experience

Job experience is the most important factor in GIS qualifications because:

- Performing in a job provides learning experiences that allow **growth and expansion of skill sets**
- Work environment with other professionals allows **transfer of knowledge**
3 Tiers of Professional Experience

- **Analyst, System Design, Programming:** (Tier 1)
  Typical tasks include database design or management, documentation or analysis of functional requirements, application design and evaluation, implementation management, and system administration. = **25 Points Per Year**

- **Data Compilation, Data Maintenance, Teaching:** (Tier 2)
  Typical tasks include editing data, map composition, report generation, database maintenance, data validation, instructional training, and teaching. = **15 Points Per Year**

- **GIS User:** (Tier 3)
  Typical tasks include utilization of applications involving geospatial technologies. Candidates may be involved in managing or coordinating GIS, but not involved in the technical implementation of GIS. = **10 Points Per Year**
4-year Minimum

- Applicants must have a combination of at least 4 years (48 months) of professional GIS experience to apply for GIS Certification.

- If the applicant has met the minimum requirement with less than 4 years of experience then the applicant must wait until 4 years of professional GIS experience is accrued.
The Grandfathering Provision

- Designed to assist professionals who have working with spatial data for many years
- Successful candidates will only have their professional experience reviewed.
The Grandfathering Provision

- Grandfathering applicants do not need to submit contribution or education points for initial certification.

- Grandfathering will only be available until December 31, 2008. There is no grandfathering provision for recertification. Recertification applicants will need to submit points in all three areas.
The Grandfathering Provision

You are eligible for Grandfathering if you have earned a minimum of 200 professional experience points (see forms EXP-1 and EXP-2). Candidates who qualify for grandfathering then, have worked for:

- **8 years** in a GIS position of **data analysis**, **system design**, **programming**, or **similar position**.  
  OR
- **13 1/3 years** in a GIS position of **data compilation**, **teaching**, or **similar position**.  
  OR
- **20 years** in a GIS User Position  
  OR
- A **combination** of the above positions that results in a total of **at least 200 points** as computed in forms EXP-1 and EXP-2.
Contributions to the Profession

Documents and activities that add to the professional body of knowledge for the benefit of the profession as a whole – not just the employer and client.
The 7 Categories of Contribution Points

- GIS Publications
- GIS Professional Association Involvement
- GIS Conference Participation
- GIS Workshop Instruction
- GIS Conference Presentation
- GIS Awards Received
- Other GIS Contributions
<table>
<thead>

</tr>
</tbody>
</table>
Additional Requirements

- **Code of Ethics**
- **Renewal**
  - Every five years
  - Minimum points in each category and total since initial certification
Signing the Code of Ethics

- All accepted candidates must sign the GISCI Code of Ethics.
Renewal of Certification

- Applicants must earn the following points in the five years following initial certification:

<table>
<thead>
<tr>
<th>Category</th>
<th>Points</th>
</tr>
</thead>
<tbody>
<tr>
<td>Educational Achievement</td>
<td>4</td>
</tr>
<tr>
<td>Professional Experience</td>
<td>50</td>
</tr>
<tr>
<td>Contributions to the Profession</td>
<td>10</td>
</tr>
<tr>
<td>Additional Points</td>
<td>11</td>
</tr>
<tr>
<td><strong>Total:</strong></td>
<td><strong>75</strong></td>
</tr>
</tbody>
</table>
Renewal of Certification

- All points claimed for recertification will need to be documented.

- There is no “Grandfathering Provision” for recertification.
The GISCI Organization
Establishing GISCI

Why not URISA and why GISCI?

- Legal and financial protection for URISA and its members and officers.
- Ability to expand the Institute to make it more multilateral when the time comes.
- Wanted to enforce the principle that certification has no membership requirement.
What is GISCI?

- GISCI is the GIS Certification Institute
- It is a 501(c)(6) organization – Similar to a trade association
- Will provide the GIS industry with a complete mechanism for certification
- At its inception, will not offer any other programs or champion other initiatives.
- In the eyes of the law and the IRS it is a completely separate organization from URISA.
The Mission of GISCI

To maintain the high standards and integrity of the GIS profession and promote ethical conduct within it.
The Application Review Process
The Application Review Process

- The GISCI Staff performs a QUANTITATIVE review.

- The GISCI Review Board performs a QUALITATIVE review.
GISCI Staff Review

- Will determine if the points have been added and documented correctly.
- Will make a recommendation of the applicant’s status to the Review Committee.
  - Accepted Outright
  - Rejected Outright
  - Pending Further Review
GISCI Review Committee

- Volunteers with GIS backgrounds and credentials.
- Chosen by the GISCI Board of Directors
- Will make the final determination on ALL manners of points, documentation, and status.
- Their decisions are final and settled by simple majority.
GISCI Review Committee

- The committee will see and approve the scores for every GISCI applicant.
- They will perform independent reviews and return their decisions to GISCI staff.
- They will make periodic recommendations on how to improve the program to the BOD and Oversight Committee.
Notifying the Applicants

- All accepted/rejected candidates will be notified of their status hopefully within 2-3 months of submittal.
- Accepted candidates will receive a congratulatory letter and a certificate.
- Rejected candidates will be encouraged to resubmit.
Currently there are 401 certified GIS Professionals (GISPs) (as of August 25th)

93.2% said that the application process was “Very Clear” to “Clear”

90.4% said it took 1-3 weeks to complete. (the majority of their time is spent waiting for transcripts).
GISCI in Operation

- 56% are from the Public Sector
- 38% are from the Private Sector
- 6% are from Academia

- They have backgrounds in the following disciplines:

  Planning  
  Public Works  
  MIS/IS  
  Emergency Services  
  Utility Planning Operations  
  Transportation

  GIS  
  Engineering  
  Assessment  
  Natural Resources  
  Community Development  
  Finance and Administration
Flow of Applications

- GISCI is processing applications monthly.

- This means that 12 cohorts of professionals will be certified each year. GISCI estimates that each cohort will contain about 40 successful applicants.

- GISCI hopes to have between 500 - 600 Certified GIS Professionals by the end of 2004.
Certification Fee

- The cost of GISCI certification is $250.
- Covers five years of certification with no annual fee assessed.
- There will be a yet to be determined recertification fee.
- Rejected applicants receive $150 back, less a $100 processing fee.
Important Note:

Applications for the GISCI Certification Program are now available. GISCI is now ready to accept complete applications accompanied by full payment and a signed Code of Ethics.

View or download the application materials for GISCI professional certification.
Thank You...Any Questions?
Applying for GISCI Certification:
A Step by Step Guide to Completing an Application for GIS Professional Certification
Steps

• The Grandfathering Provision (form GF-1)
• The Educational Achievement Component (forms EDU 1, 2, 3, S & X)
• The Professional Experience Component (forms EXP 1 & 2)
• The Contributions to the Profession Component (form CON-1)
• Total Certification Points (form TOT-1)
Getting Started

- Download all necessary documents from the GISCI website at www.gisci.org

- An application packet includes:
  1. The Application
  3. The GIS Code of Ethics
  4. An Application Packet containing a welcome letter, payment form, checklist, and questionnaire
Filling out the Application

The application may be completed in two ways:
1. Manual Entry (print out forms and complete in ink)
2. Electronic Entry (complete the forms electronically, print, and combine with documentation)

All applications need to be sent as paper copies. No electronic documents will be accepted
Helpful Tip Before you Begin

There is no benefit to documenting a high point total. The point total is used only during application assessment and is not noted or reflected in your final certificate. It is unnecessary to expend extensive effort documenting minor achievements unless the point values are needed to meet the minimum.
Request External Official Documentation

- Primary materials include:
  - current résumé or curriculum vitae (CV)
  - college transcript(s)

- Secondary materials may include:
  - certificates of completion / participation
  - awards
  - publications
  - course catalogs, class syllabi, class reports/projects
Removal of Personal Information

- All sensitive or personal information (i.e. social security number, drivers license number, maiden name, etc.) may be removed or obscured from any document. If this information is included only the GISCI staff and Review Committee Members will view it.
Notes on the Grandfathering Provision

- Grandfathering Provision applicants are encouraged but not required to complete the Education and Contribution components.
- There is no Grandfathering Provision for recertification. Applicants must earn the minimum points in all three achievement categories.
- Grandfathering Provision Applicants must complete the forms EXP 1 & 2.
- The Grandfathering Provision is indistinguishable from the certification approved in the regular fashion.
Completing the Form GF-1

Review the Grandfathering Provision requirements and determine if you may be eligible.

ARE YOU ELIGIBLE FOR GRANDFATHERING?
(Please read before proceeding with the application)

<table>
<thead>
<tr>
<th>Please complete before proceeding</th>
<th>Check either box A or B.</th>
</tr>
</thead>
<tbody>
<tr>
<td></td>
<td>X</td>
</tr>
</tbody>
</table>

A. Yes, I would like to be considered under the Grandfathering Provision.

B. No, I am not eligible for the Grandfathering Provision and choose to apply under the regular application process.
Satisfying the Grandfathering Provision

- Grandfathering Provision Candidates must complete forms EXP 1 & 2

- With Grandfathering, the Educational Achievement and Contributions to the Profession Components are optional
Completing the Grandfathering Provision

<table>
<thead>
<tr>
<th>Worksheet</th>
<th>Title</th>
<th>Points</th>
</tr>
</thead>
<tbody>
<tr>
<td>1</td>
<td>GIS Manager</td>
<td>135.45</td>
</tr>
<tr>
<td>2</td>
<td>GIS Analyst</td>
<td>64.24</td>
</tr>
<tr>
<td>3</td>
<td>GIS Technician</td>
<td>38.05</td>
</tr>
</tbody>
</table>

If the total from EXP-2 exceeds 200 points proceed to Total Certification Points Sheet (TOT-1)

*Total Experience Points: 237.74

* = This total must be at least 60.0 in order to qualify for certification. (200 points for Grandfathering prior to December 31, 2008).
Completing the Grandfathering Provision

The applicant has successfully earned GISCI Certification through the Grandfathering Provision

<table>
<thead>
<tr>
<th>Achievement Categories</th>
<th>Total Points</th>
</tr>
</thead>
<tbody>
<tr>
<td>Educational Achievement (Total from EDU-S)</td>
<td>223</td>
</tr>
<tr>
<td>Professional Experience (see Note 1) (Total from EXP-2)</td>
<td>237.74</td>
</tr>
<tr>
<td>Contributions to the Profession (Total from CON-1)</td>
<td>18</td>
</tr>
<tr>
<td>TOTAL POINTS (see Note 2) (Add EDU-S, EXP-2, and CON-1)</td>
<td>278.04</td>
</tr>
</tbody>
</table>
The Regular Certification Process

- Candidates who do not qualify under the Grandfathering Provision are invited to apply under the regular certification process.

- Requires completion of all three components (EDU, EXP, & CON)
The Educational Achievement Component
The Applicant will need a minimum of 30 Educational Achievement Points to satisfy this section.
Completing the Credential Points Section (EDU-1)

Example: The candidate has earned a Bachelor’s Degree in Computer Science

<table>
<thead>
<tr>
<th>Credentials</th>
<th>Points</th>
</tr>
</thead>
<tbody>
<tr>
<td>Master’s Degree or Higher</td>
<td>25</td>
</tr>
<tr>
<td>Bachelor’s Degree</td>
<td>20</td>
</tr>
<tr>
<td>Associate’s Degree</td>
<td>10</td>
</tr>
<tr>
<td>GIS Certificate</td>
<td>5</td>
</tr>
</tbody>
</table>

<table>
<thead>
<tr>
<th>Highest Credential Earned</th>
<th>Year Conferred</th>
<th>Institution</th>
<th>Points Claimed</th>
</tr>
</thead>
<tbody>
<tr>
<td>BS</td>
<td>1989</td>
<td>Purdue University</td>
<td>20</td>
</tr>
</tbody>
</table>

Enter the degree or certificate’s corresponding point total on the form and enter that in the box marked total credential points.
Completing the Credential Points Section (EDU-1)

This value should be added to the Educational Achievement Summary Sheet (EDU-S)
Documenting Credential Points

- The credential claimed must be found on an original transcript.

- If the degree is not listed on the original transcript, a copy of the diploma may be included.
Notes on the Course Points Section (EDU-2)

- Subject matter must relate directly to geospatial information science or related technology, and applications.

- The course subject matter must be subsumed by one or more of the eleven “knowledge areas” identified in the University Consortium on Geographic Information Sciences’ (UCGIS) Model Curricula plus computer programming courses.
Notes on the Course Points Section (EDU-2)

- All university courses claimed must be found on an original transcript.
- Courses offered by non-accredited educational institutions such as workshops and vendor training are also acceptable.
- Proper documentation of workshops should be supplied (certificates, invoices, rosters, etc.)
Calculating Course Points

- Calculating Student Activity Hours (SAH) for credit courses

The formula is

\[ SAH = C \times 3 \times W \]

- where \( C \) is the number of credits per course, \( 3 \) is the standard number of activity hours per credit, and \( W \) is the duration of the course in weeks.
Calculating Course Points

- A typical 3-credit college course conducted during a 15-week semester earns 135 student activity hours (3 credits × 3 hours/credit × 15 weeks = 135 activity hours).

<table>
<thead>
<tr>
<th>Year</th>
<th>Course Code</th>
<th>Course Title</th>
<th>Credits</th>
<th>Weeks</th>
<th>Total Hours</th>
</tr>
</thead>
<tbody>
<tr>
<td>1991</td>
<td>GEOG 6534</td>
<td>Introduction to Geographic Information Systems</td>
<td>3</td>
<td>15</td>
<td>135</td>
</tr>
</tbody>
</table>
Calculating Course Points

- Calculating Student Activity Hours (SAH) for non-credit courses that award Continuing Education Units (CEUs)

The formula is:

\[ \text{SAH} = \text{CEUs} \times 10 \]

where \textbf{CEUs} is the number of continuing education units per course, and \textbf{10} is the standard number of activity hours per CEU.
Calculating Course Points

- A typical 1-day workshop earns 10 student activity hours (1 CEU × 10 [fixed value] = 10 activity hours).
Calculating Course Points

- Sum all of the Student Activity Hours for courses from accredited and non-accredited educational institutions.
- Divide the total by 40. This is the fixed number set by GISCI to help determine total course points.
- The resulting value is the total course points for EDU-2.
Sum the Student Activity Hours in the far right hand column and divide by 40.

The resulting value is your Total Course Points for EDU-2 and should be added to EDU-S.

<table>
<thead>
<tr>
<th>Year</th>
<th>Course Abbreviation and Number</th>
<th>Course Title</th>
<th>Credits or CEUs</th>
<th>Course Duration (weeks)</th>
<th>Student Activity Hours</th>
</tr>
</thead>
<tbody>
<tr>
<td>1991</td>
<td>GEOG 6534</td>
<td>Introduction to Geographic Information Systems</td>
<td>3 credits</td>
<td>15 wks</td>
<td>135</td>
</tr>
<tr>
<td>1991</td>
<td>GESC 4752</td>
<td>Computer Mapping and GIS</td>
<td>3 credits</td>
<td>15 wks</td>
<td>135</td>
</tr>
<tr>
<td>1996</td>
<td>n/a</td>
<td>AAG GIS Workshop</td>
<td>1 CEU</td>
<td>n/a</td>
<td>10</td>
</tr>
<tr>
<td>1997</td>
<td>GEOG 345</td>
<td>Computer Aided Drafting and GIS</td>
<td>3 credits</td>
<td>15 wks</td>
<td>135</td>
</tr>
</tbody>
</table>

**EDU-2 Part C. TOTAL Student Activity Hours**

415

\[ \frac{415}{40} \text{ hrs per point} \]

**EDU-2 Part D. TOTAL COURSE POINTS**

10.38
What if my Course Title is Vague?

- Use form marked EDU-X (eXplanation) to justify point claims for student activity hours whose relevance may not be apparent from the course or workshop title.
- This form is optional and should only be used if the content of course is difficult to discern from the course title.
- If a course is obviously related to one of the knowledge areas you do not need to provide a description.
Completing Form EDU-X

Course Descriptions Using EDU-X

Example:

<table>
<thead>
<tr>
<th>Course Number and Title</th>
<th>Brief Description</th>
</tr>
</thead>
<tbody>
<tr>
<td>ENG 4108 Civil Engineering Measurements</td>
<td>Fundamental surveying measurements, traverse computations, coordinate geometry, mapping, GPS and GIS, circular and parabolic curves, earthwork, boundary surveys, CAD applications.</td>
</tr>
</tbody>
</table>
Notes about EDU-X

- EDU-X will only be available during the “Transition Period” that concludes on January 1, 2009.

After that all vague courses will need official descriptions taken from course books or other educational institution materials (conference programs, websites, etc).
Notes on the Conference Attendance Points Section (EDU-3)

- Conference attendance points are a result of the number of total days that the applicant has spent at meetings and conferences sponsored by professional societies and regional and local user groups.

- Conference Attendance Points are determined by the number of days and not hours spent at each event. The number of days attended should always result in a whole number multiplied by 0.1.
Calculating Conference Attendance Points

- Within the form the applicant should place the name of the conference, the year, the host organization, the location and the number of days attended.

<table>
<thead>
<tr>
<th>Year</th>
<th>Name of Conference/Host Organization/Location</th>
<th>Days Attended</th>
</tr>
</thead>
<tbody>
<tr>
<td>1995</td>
<td>ASPRS Annual Conference – San Antonio, TX</td>
<td>4</td>
</tr>
</tbody>
</table>
After all relevant conferences are entered onto EDU-3 the number of days should be added together.

- Multiply the number of total days by the GISCI standing value of 0.1.

<table>
<thead>
<tr>
<th>Year</th>
<th>Name of Conference/Host Organization/Location</th>
<th>Days Attended</th>
</tr>
</thead>
<tbody>
<tr>
<td>1995</td>
<td>ASPRS Annual Conference – San Antonio, TX</td>
<td>4</td>
</tr>
<tr>
<td>1998</td>
<td>NCURISA Annual Conference – Charlotte, NC</td>
<td>2</td>
</tr>
</tbody>
</table>

EDU-3 Part A. TOTAL Conference Days Attended: 6

EDU-3 Part B. TOTAL CONFERENCE POINTS: 0.6
Calculating Conference Attendance Points

The resulting value will be the total number of conference attendance points and should be added to EDU-S.

\[
\begin{array}{c}
6 \\
\times 0.1 \text{ points per day}
\end{array}
\]

Add this number to EDU-S
Determining the Total Amount of Educational Achievement Points (EDU-S)

Your Educational Achievement point total will be determined by adding the credential points, course points, and conference attendance points.

<table>
<thead>
<tr>
<th>EDUCATIONAL ACHIEVEMENT POINTS SUMMARY SHEET</th>
<th>Education Points</th>
</tr>
</thead>
<tbody>
<tr>
<td>Credential Points (EDU-1)</td>
<td>20</td>
</tr>
<tr>
<td>Course and Workshop Points (EDU-2)</td>
<td>10.38</td>
</tr>
<tr>
<td>Conference Points (EDU-3)</td>
<td>0.6</td>
</tr>
<tr>
<td>TOTAL EDUCATION POINTS (EDU-1 + EDU-2 + EDU-3) =</td>
<td>30.98</td>
</tr>
</tbody>
</table>
Final Step for the Educational Achievement Points Section

- The EDU-S total should then be added to the GIS Certification Institute Point Tabulation Sheet (TOT-1).

Example:

<table>
<thead>
<tr>
<th>Achievement Categories</th>
<th>Total Points</th>
</tr>
</thead>
<tbody>
<tr>
<td>Educational Achievement (Total from EDU)</td>
<td>30.98</td>
</tr>
<tr>
<td>Professional Experience (Total from EXP)</td>
<td>165</td>
</tr>
<tr>
<td>Contributions to the Profession (Total from CON)</td>
<td>9</td>
</tr>
<tr>
<td><strong>TOTAL POINTS</strong> (Add EDU, EXP, and CON Totals)</td>
<td><strong>205.33</strong></td>
</tr>
</tbody>
</table>
Documenting The Educational Achievement Component
Credential Points and the University Transcript

The degree used to claim credential points should be listed on the transcript. If the degree is not listed, please provide a COPY of the diploma.

Degree: DOCTOR OF PHILOSOPHY
Date: 12/16/2000
Major: GEOGRAPHY
Course Points and the University Transcript

University courses need to be found on the included transcript(s).

Transcripts must be official copies. Transcripts may only be marked to remove sensitive information or to highlight the courses that are being claimed.
Course Points and Workshop Documentation

GEORGIA INSTITUTE OF TECHNOLOGY

This is to certify that [Name] has attended a class in

Visual Basic for Building GIS Applications

conducted by
GEORGIA TECH
CONTINUING EDUCATION
Atlanta, Georgia

September 07, 2001 - September 07, 2001

Gerald Wayne Clough
President
Diana L. Turner
Director, Continuing Education
Joseph S. DiGregorio
Vice Provost for Distance Learning, Continuing Education, and Outreach

Attendance verification needs to be provided for all claimed workshops. If a certificate is not available, submit an invoice, confirmation notice or a letter from the hosting organization.
Conference Attendance documentation can include a confirmation letter, certificate, name badge, or any other materials that identify the event and verify attendance.

Dear Conference Attendee:

We are pleased to inform you that your registration has been processed for the 21st Annual ESRI User Conference to be held July 9 - 13, 2001, in San Diego, California.

You are registered for the following:

- **Federal Rate**: $895.00
- **Introduction to Geostatistical Analysis**: $295.00
- **Total**: $1,190.00
The Professional Experience Component
The Applicant will need a minimum of 60 Professional Experience Points to satisfy this section.
The Professional Experience Component (Forms EXP-1 & 2)

- **NOTE:**
  If you have less than 4 years (48 months) of professional experience you may not apply for GISCI Certification regardless of your point totals in this or any other category.

- This four-year minimum requirement can come at any of the three levels of technical complexity.
3 Levels of Technical Complexity

- **Analyst, System Design, Programming:**
  Typical tasks include database design or management, documentation or analysis of functional requirements, application design and evaluation, implementation management, and system administration. = **25 Points Per Year**

- **Data Compilation, Data Maintenance, Teaching:**
  Typical tasks include editing data, map composition, report generation, database maintenance, data validation, instructional training, and teaching. = **15 Points Per Year**

- **GIS User:**
  Typical tasks include utilization of applications involving geospatial technologies. Candidates may be involved in managing or coordinating GIS, but not involved in the technical implementation of GIS. = **10 Points Per Year**
Proffessional Experience

Supervisory Bonus

- **Bonus points** for years in a GIS supervisory or management position

(points are additive to the other three positions, i.e. a GIS Manager who also manages the department would receive 25 points + 10 points per year in that position).
Necessary Professional Experience Documentation

- A current copy of the applicant’s résumé edited to include only GIS related positions.

- A signed letter from the applicant’s immediate supervisor or employer stating that the information listed in the portfolio is correct.
Notes on Completing the Professional Experience Section

- The applicant will use forms EXP-1 and EXP-2 to document GIS professional experience.
- Each individual job will need to be placed within its own worksheet. EXP-2 will be used as a tally sheet for all the individual worksheets used.
### Example: The Professional Experience Worksheet EXP-1

<table>
<thead>
<tr>
<th>Worksheet:</th>
<th>Example #1</th>
</tr>
</thead>
<tbody>
<tr>
<td>Title (from résumé):</td>
<td>GIS Analyst</td>
</tr>
<tr>
<td>Employer:</td>
<td>State Office for Information Resources – D</td>
</tr>
<tr>
<td>Years / Months Employed:</td>
<td>3.75 years</td>
</tr>
</tbody>
</table>

#### Description of GIS-Related Duties:
- Maintain inventory control system, QA/QC, and technical auditing and reporting of GIS digital products.
- Manage technical consulting effort for database development and implementation.
- Guide implementation of enterprise GIT architecture; advise / review agency GIS implementation plans; develop and maintain policy documents supporting enterprise architecture.

<table>
<thead>
<tr>
<th>Experience Level</th>
<th>% Full Time Equiv.</th>
<th>Years (from above)</th>
<th>Pts/Yr</th>
<th>Subtotal</th>
</tr>
</thead>
<tbody>
<tr>
<td>GIS Programmer or Similar</td>
<td>.80</td>
<td>x</td>
<td>3.75</td>
<td>x</td>
</tr>
<tr>
<td>GIS Technician, Educator or Similar</td>
<td>.20</td>
<td>x</td>
<td>3.75</td>
<td>x</td>
</tr>
<tr>
<td>GIS User</td>
<td>x</td>
<td>x</td>
<td></td>
<td></td>
</tr>
<tr>
<td>Supervisory Bonus</td>
<td></td>
<td></td>
<td></td>
<td>x</td>
</tr>
</tbody>
</table>

**Total this worksheet:**

(This figure would then be added to EXP-2) **86.25**
Completing the Professional Experience Worksheets (EXP-1)

<table>
<thead>
<tr>
<th>Worksheet:</th>
<th>Example #1</th>
</tr>
</thead>
<tbody>
<tr>
<td>Title (from résumé):</td>
<td>GIS Analyst</td>
</tr>
<tr>
<td>Employer:</td>
<td>State Office for Information Resources – Division of GIS Services</td>
</tr>
<tr>
<td>Years / Months Employed:</td>
<td>3.75 years</td>
</tr>
<tr>
<td># of yrs + (# of months / 12)</td>
<td></td>
</tr>
</tbody>
</table>
## Description of GIS-Related Duties

This description should be brief and should not expand outside of the provided box. This description should encapsulate the position so that the Review Committee may determine if points are being claimed in the correct category. This needs to be done for all worksheets used.

<table>
<thead>
<tr>
<th>Description of GIS-Related Duties:</th>
</tr>
</thead>
<tbody>
<tr>
<td>• Maintain inventory control system, QA/QC, and technical auditing and reporting of GIS digital products.</td>
</tr>
<tr>
<td>• Manage technical consulting effort for database development and implementation.</td>
</tr>
<tr>
<td>• Guide implementation of enterprise GIT architecture; advise / review agency GIS implementation plans; develop and maintain policy documents supporting enterprise architecture.</td>
</tr>
</tbody>
</table>
FTE% (see example EXP worksheets) stands for Full Time Equivalent. "%FTE" is the decimal portion of time credited towards a particular experience level, and supported by the description of GIS related duties section.

<table>
<thead>
<tr>
<th>Experience Level</th>
<th>% Full Time Equiv.</th>
</tr>
</thead>
<tbody>
<tr>
<td>GIS Programmer or Similar</td>
<td></td>
</tr>
<tr>
<td>GIS Technician, Educator or Similar</td>
<td></td>
</tr>
<tr>
<td>GIS User</td>
<td></td>
</tr>
</tbody>
</table>
**Full Time Equivalent Percentages (% FTE)**

- **FTE% Example:** In a small GIS office, an applicant might spend 80% of their time doing application development and system maintenance and 20% of their time doing data maintenance and update. It would be appropriate for the applicant to record .8 for "GIS Programmer or Similar" and .2 for "GIS Technician or Similar".

<table>
<thead>
<tr>
<th>Experience Level</th>
<th>% Full Time Equiv.</th>
</tr>
</thead>
<tbody>
<tr>
<td>GIS Programmer or Similar</td>
<td>.80</td>
</tr>
<tr>
<td>GIS Technician, Educator or Similar</td>
<td>.20</td>
</tr>
<tr>
<td>GIS User</td>
<td></td>
</tr>
</tbody>
</table>
In most cases, values entered in "%FTE" will sum to 1. In cases where sales, an academic internship or part-time research is involved, the values in "%FTE" should sum to the appropriate proportion (e.g.: .4 for a half-time graduate research assistant, as appropriate).

<table>
<thead>
<tr>
<th>Experience Level</th>
<th>% Full Time Equiv.</th>
</tr>
</thead>
<tbody>
<tr>
<td>GIS Programmer or Similar</td>
<td></td>
</tr>
<tr>
<td>GIS Technician, Educator or Similar</td>
<td>.20</td>
</tr>
<tr>
<td>GIS User</td>
<td>.20</td>
</tr>
</tbody>
</table>
## Completing the Professional Experience Worksheets (EXP-1)

<table>
<thead>
<tr>
<th>Experience Level</th>
<th>% Full Time Equiv.</th>
<th>Years (from above)</th>
<th>Pts/Yr</th>
<th>Subtotal</th>
</tr>
</thead>
<tbody>
<tr>
<td>GIS Programmer or Similar</td>
<td>.80</td>
<td>x</td>
<td>x</td>
<td>25</td>
</tr>
<tr>
<td>GIS Technician, Educator or Similar</td>
<td>.20</td>
<td>x</td>
<td>x</td>
<td>15</td>
</tr>
<tr>
<td>GIS User</td>
<td></td>
<td></td>
<td>x</td>
<td>10</td>
</tr>
<tr>
<td>Supervisory Bonus</td>
<td></td>
<td></td>
<td></td>
<td>10</td>
</tr>
</tbody>
</table>

Enter the FTE%(s) and multiply that value by the years/months worked and the points per year to determine the subtotal.
Completing the Professional Experience Worksheets (EXP-1)

Add the subtotals to determine the total for that worksheet. Place that total on EXP-2 and proceed to the next worksheet.

<table>
<thead>
<tr>
<th>Experience Level</th>
<th>% Full</th>
<th>Years</th>
<th>Pts/Vr</th>
<th>Subtotal</th>
</tr>
</thead>
<tbody>
<tr>
<td>GIS User</td>
<td>x</td>
<td>x</td>
<td>10</td>
<td></td>
</tr>
<tr>
<td>Supervisory Bonus</td>
<td></td>
<td></td>
<td></td>
<td></td>
</tr>
</tbody>
</table>

Total this worksheet: 86.25
(This figure would then be added to EXP-2)
Enter the point totals from all the Experience Calculation Worksheets on EXP-2

<table>
<thead>
<tr>
<th>Worksheet</th>
<th>Title</th>
<th>Points</th>
</tr>
</thead>
<tbody>
<tr>
<td>1</td>
<td>GIS Analyst</td>
<td>86.25</td>
</tr>
<tr>
<td>2</td>
<td>Technical Coordinator <em>(not shown in the above example)</em></td>
<td>78.75</td>
</tr>
<tr>
<td>6</td>
<td></td>
<td></td>
</tr>
</tbody>
</table>

The resulting total should then be added to the Point Tabulation Sheet (TOT-1).

Total Experience Points: 165
Final Step for the Professional Experience Points Section

- The EXP-2 total should then be added to the GIS Certification Institute Point Tabulation Sheet (TOT-1).

Example:
TOTAL CERTIFICATION POINTS SHEET (TOT-1)

<table>
<thead>
<tr>
<th>Achievement Categories</th>
<th>Total Points</th>
</tr>
</thead>
<tbody>
<tr>
<td>Educational Achievement (Total from EDU)</td>
<td>30.96</td>
</tr>
<tr>
<td>Professional Experience (Total from EXP)</td>
<td>165</td>
</tr>
<tr>
<td>Contributions to the Profession (Total from CON)</td>
<td>9</td>
</tr>
<tr>
<td>TOTAL POINTS* (Add EDU, EXP, and CON Totals) =</td>
<td>205.33</td>
</tr>
</tbody>
</table>

*Note: TOT-1 is the GIS Certification Institute Point Tabulation Sheet.
Documenting The Professional Experience Component
The supervisor letter can follow the GISCI template or contain different text. It must state that to the best of the employer’s knowledge the claims made within the professional experience component are correct.

The letter must be on company letterhead and be signed in ink. If the applicant does not have an immediate supervisor they should obtain a letter from a client, business partner, or past supervisor.
Current Copy of the Applicant’s Résumé

The résumé should be edited to include only the GIS-related positions claimed on EXP 1 & 2. Please indicate the months and years of employment.

Present position - GIS Manager for the [Redacted] Regional Commission (ARC) since 1993

- Supervise a team of GIS and data development professionals.
- Implement new GIS hardware/software systems and develop resource level GIS data sets.
- Developed an Economic Development Information System (EDIS) that contains GIS data, attribute databases, digital ortho-photography, statistical data and multimedia resources to accomplish regional planning and economic development in the 10 county [Redacted] Region.
- Developed and produced multimedia CD-ROM’s tailored for use with the EDIS which can create reports and multimedia presentations.
- Established and currently running an ESRI authorized ArcView Learning Center at ARC since August 1995. Trained, qualified and oversee three additional ArcView instructors.
The Contributions to the Profession Component
The Applicant will need a minimum of 8 Contributions to the Profession Points to satisfy this section.
The Contributions to the Profession Component (Form CON-1)

- The minimum qualification for initial certification is to accrue points in areas that not only benefit the applicant but also benefit the profession as a whole.

- It is expected that an active professional is capable of attaining a minimum of two Contributions points per year.
The Seven Categories of Contribution Points

- GIS Publications
- GIS Professional Association Involvement
- GIS Conference Participation
- GIS Workshop Instruction
- GIS Conference Presentation
- GIS Awards Received
- Other GIS Contributions
Notes on the Contributions to the Profession Component

- Points should be included for each instance that the applicant has satisfied the listed contribution.

- If the applicant has satisfied a contribution category more than once, the applicant may receive duplicate points.
Notes on the Contributions to the Profession Component

- There is no limit to how many times a category may be used or how many points may be accrued in that category.

- Not all categories need to be filled. If the candidate for example, has not published a book, they should move onto the next category.
Notes on the Contributions to the Profession Component

- The applicant is not entitled to document every single contribution point they earned during a 10 or 20-year career.

- Trying to provide documentation from a conference that occurred in the distant past is not necessary if the amount of contribution points earned since then puts the applicant above the minimum amount.
Notes on the Contributions to the Profession Component

- Candidates cannot be considered “more certified” by supplying a point total that greatly exceeds the minimum.

- If a discrepancy or misrepresentation of points is uncovered, the applicant runs the risk of being rejected.
Notes on the Contributions to the Profession Component

- Try to include points where adequate documentation is readily available.

- Often the applicant may want to start with the most recent points earned and then work backwards until the point total is satisfied.

- It is the idea that the applicant may have recent materials on hand to document the claimed points.
Work Related Contributions to the Profession

- It must be emphasized that work-related publications and sales presentations are elements of work experience and NOT contributions to the profession.

- Contributions are intended to recognize documents and activities that relay lessons learned and techniques developed at work beyond the client and employer.
Completing the Contributions to the Profession Section

Locate the applicable contribution type on the Contribution Point Schedule.

<table>
<thead>
<tr>
<th>Contribution Type</th>
<th>Points</th>
</tr>
</thead>
<tbody>
<tr>
<td>F. Editorial Board</td>
<td>3</td>
</tr>
<tr>
<td>G. Magazine/Journal Article</td>
<td>3</td>
</tr>
<tr>
<td>H. Magazine/Journal Column</td>
<td>3</td>
</tr>
<tr>
<td>I. Paper in Conference Proceedings</td>
<td>2</td>
</tr>
</tbody>
</table>
 Completing the Contributions to the Profession Section

<table>
<thead>
<tr>
<th>CON Type (indicate letter)</th>
<th>Year(s)</th>
<th>Description</th>
<th>Documentation?</th>
<th>Points</th>
</tr>
</thead>
<tbody>
<tr>
<td>G</td>
<td>1995</td>
<td>GITA 2003 Proceedings San Antonio, TX</td>
<td>Yes</td>
<td>2</td>
</tr>
</tbody>
</table>

Note: If the Activity has had a duration, Membership/Board of Directors Term/etc.) place the adjusted point total in the Points box.

Place the corresponding letter in the box and provide the necessary information.
Completing the Contributions to the Profession Section

If an Activity has had a duration of more than one year (i.e. Association Membership) place the adjusted point total counting each year in the Points box.

<table>
<thead>
<tr>
<th>CON Type (indicate letter)</th>
<th>Year(s)</th>
<th>Description</th>
<th>Documentation?</th>
<th>Points</th>
</tr>
</thead>
<tbody>
<tr>
<td>G</td>
<td>1995</td>
<td>GITA 2003 Proceedings San Antonio, TX</td>
<td>Yes</td>
<td>2</td>
</tr>
<tr>
<td>P</td>
<td>1990-1994</td>
<td>ACSM Member</td>
<td>Yes</td>
<td>4</td>
</tr>
</tbody>
</table>
When all claims have been listed, sum all the Contribution Points earned for your Contribution Point Total.

The resulting total should then be added to the Point Tabulation Sheet (TOT-1).
Final Step for the Contributions to the Profession Points Section

- The CON-1 total should then be added to the GIS Certification Institute Point Tabulation Sheet (TOT-1).

Example:
TOTAL CERTIFICATION POINTS SHEET (TOT-1)

<table>
<thead>
<tr>
<th>Achievement Categories</th>
<th>Total Points</th>
</tr>
</thead>
<tbody>
<tr>
<td>Educational Achievement (Total from EDU)</td>
<td>30.98</td>
</tr>
<tr>
<td>Professional Experience (Total from EXP)</td>
<td>169</td>
</tr>
<tr>
<td>Contributions to the Profession (Total from CON)</td>
<td>9</td>
</tr>
</tbody>
</table>

TOTAL POINTS* (Add EDU, EXP, and CON Totals) = 205.33
Documenting the Contributions to the Profession Component
Documenting Publications

- **Books/Published Atlas**
  The ISBN #, year, and title,

- **Refereed Papers**
  The journal’s title, ISSN#, Volume and Number

- **Published Map**
  Location of where the map published and/or a copy of the credit.

- **Editorial Board**
  List the journal, publication, or serial, the ISSN#, years and capacity served

- **Article**
  Name of the publication in which it appeared, date, year, ISSN#, and a copy of the article

- **Paper in Conference Proceedings**
  Date and location of the conference, name of the conference, copy of the paper’s title page

- **Newsletter Article**
  Date and year of the article, Issue # or date, month, year, name of the newsletter, copy of the article or title
Provide sufficient documentation for all publication claims. Copies of articles are required.
GIS Professional Association

Involvement

<table>
<thead>
<tr>
<th>Level of Involvement</th>

## Forsyth County Proclaims GIS Day 2002

Forsyth County Government GIS announces America’s Backyard: Exploring Your Public Lands on GIS Day, November 20, 2002. Representatives from the county, schools, and public sector will be present to discuss how Forsyth County utilizes Geographic Information Systems (GIS). Events begin at 9 am with a map gallery display located inside the main entrance.
The Total Certification Points Component
The Applicant will need a minimum of 150 Points to become certified.
The Total Certification Points Component

- The applicant will need the following minimums in the three achievement categories:

<table>
<thead>
<tr>
<th>Educational Achievement</th>
<th>30.0</th>
</tr>
</thead>
<tbody>
<tr>
<td>Professional Experience</td>
<td>60.0</td>
</tr>
<tr>
<td>Contributions to the Profession</td>
<td>8.0</td>
</tr>
</tbody>
</table>

- The candidates will also need an additional 52 points in any of the three categories.
Completing the Total Certification Point Sheet (Form TOT-1)

After all three components have been completed, the totals from each form (EDU, EXP, and CON) should be added to the Total Certification Points sheet (TOT-1)

<table>
<thead>
<tr>
<th>Achievement Categories</th>
<th>Total Points</th>
</tr>
</thead>
<tbody>
<tr>
<td>Educational Achievement (Total from EDU)</td>
<td>30.98</td>
</tr>
<tr>
<td>Professional Experience (Total from EXP)</td>
<td>165</td>
</tr>
<tr>
<td>Contributions to the Profession (Total from CON)</td>
<td>9</td>
</tr>
<tr>
<td><strong>TOTAL POINTS</strong> (Add EDU, EXP, and CON Totals)</td>
<td><strong>205.33</strong></td>
</tr>
</tbody>
</table>
Completing the Total Certification Point Sheet (Form TOT-1)

This number must meet or exceed 150 points in order to be considered eligible for GISCI certification.

Example:

<table>
<thead>
<tr>
<th>Achievement Categories</th>
<th>Total Points</th>
</tr>
</thead>
<tbody>
<tr>
<td>Educational Achievement (Total from EDU)</td>
<td>30.98</td>
</tr>
<tr>
<td>Professional Experience (Total from EXP)</td>
<td>165</td>
</tr>
<tr>
<td>Contributions to the Profession (Total from CON)</td>
<td>9</td>
</tr>
<tr>
<td><strong>TOTAL POINTS</strong> <em>(Add EDU, EXP, and CON Totals)</em></td>
<td><strong>205.33</strong></td>
</tr>
</tbody>
</table>
This number must meet or exceed 200 points in order to qualify under the GISCI Grandfathering Provision.

<table>
<thead>
<tr>
<th>Achievement Categories</th>
<th>Total Points</th>
</tr>
</thead>
<tbody>
<tr>
<td>Educational Achievement (Total from EDU-S)</td>
<td>223</td>
</tr>
<tr>
<td>Professional Experience (see Note 1) (Total from EXP-2)</td>
<td>215.35</td>
</tr>
<tr>
<td>Contributions to the Profession (Total from CON-1)</td>
<td>24</td>
</tr>
<tr>
<td><strong>TOTAL POINTS (see Note 2) (Add EDU-S, EXP-2, and CON-1)</strong></td>
<td>261.65</td>
</tr>
</tbody>
</table>
You Are Now Completed with the Application...

...But you aren’t done yet!
Application Checklist

- Completed application with proper documentation
- Full payment and payment form
- Signed and dated Code of Ethics Acknowledgment Form
- Optional demographic questionnaire
- All items are arranged correctly and have been placed loosely in a folder
Full Payment and Payment Form

- A GISCI application will not be processed unless full payment accompanies the portfolio.

- GISCI accepts checks and credit cards
The Code of Ethics
Acknowledgment Form

- Included with the application packet is a copy of the GISCI Code of Ethics.

- The first page of the Code contains an acknowledgement form that must be signed and dated and returned with the application.

- No candidate, regardless of points will be considered certified without signing the GISCI Code of Ethics.
GISCI
Code of Ethics
Acknowledgment Form

Name (Print):__________________________________________________________

Signature:________________________________ Date:_____________________
I acknowledge that I have fully read, understand, and am in full compliance of the GISCI GIS Code of Ethics. I understand and agree that upon receipt of proof of violation of this Code of Ethics, the GISCI Board of Directors will proceed in investigating and my professional certification may be revoked.

Please complete the above and mail only this page back to GISCI Headquarters with your completed application. No application will be processed without being accompanied by a completed Code of Ethics Acknowledgment form.
Optional Demographics Questionnaire

- The application packet contains a questionnaire that will provide GISCI some background information on their certified members.

- Not completing the questionnaire will in no way jeopardize the consideration of your application.
Arranging the Completed Application

- NO STAPLES, PAPER CLIPS, or OTHER FASTENERS should be included in the portfolio.
- All items should be grouped together loose and sent in a pocket folder.
- Portfolios should not be bound, laminated, or enhanced aesthetically.
- All portfolios are scanned electronically and inclusion of these items may substantially delay the processing of an application.
Arranging the Completed Application

- NOTE: No completed applications or individual application materials, under any circumstances, will be returned to the submitter.
The Completed Application

- **Mailing Instructions**
  The completed application should be placed in a file or pocket folder and sealed in an envelope.

- Proper postage should be applied and the portfolio should be sent to GISCI headquarters at the following address:

  GIS Certification Institute
  1460 Renaissance Drive, Suite 305
  Park Ridge, IL 60068

- Upon receipt, a confirmation notice will be sent to the applicant.
Application Checklist

- Completed application with proper documentation
- Full payment and payment form
- Signed and dated Code of Ethics Acknowledgment Form
- Optional demographic questionnaire
- All items are arranged correctly and have been placed loosely in a folder
You are now completed with the GISCI Certification Process

Thank you very much for your interest and support.
